County of Los Angeles Registrar Recorder/County Clerk, 12400 Imperial Highway, Norwalk CA 90650 USA

Protect your vote and our planet

Neutralize your carbon footprint – vote by mail, not by car. While millions of voters drive to their polling places contributing to global warming you can vote by mail and carbon free. Avoid the gridlock and register to vote by mail – we'll purchase the carbon offsets.

Skip the traffic, not the election

Voting Carbon Free is

easy!

- 1** Sign and mail the attached application.
- 2** Your ballot will arrive by mail.
- 3** Track your carbon offsets at www.carbonfreevoting.com

Take a big step towards Carbon Free voting.

Send in your vote-by-mail application today!

Learn about Carbon Free Voting

The Carbon Free Voting movement is the state's first 100% green vote-by-mail campaign. We are dedicated to providing resources allowing voters to vote by mail, rather than by car, reducing emissions that contribute to global warming.

We communicate with voters by phone, by email and sometimes by mail to encourage voting

carbon-free as an environmentally sensitive alternative to driving to the polling place.

We adhere to the highest environmental standards in the printing and production of this mailer and we pay carbon offsets for all campaign activities.
